THIS WINE IS: Organically Farmed

### TASTE PROFILE

It is a serious, deep and mineral wine, with present and mild tannins, the ageing in wood is longer than other wines (22 months), but the wine is still fresh and the cask aroma does not exist a lot. There is a taste of atlantic feeling in this wine, we do not know why. Spicy, smoke, sweetness.

### VINEYARD

Villegas is a spectacular terroir based in Valtuille de Abajo, one of the most popular in the village, always talking about old men.; selecting loam to sandy loam soils, with east exposure, a gentle slope, and old vines.

### STYLE OF VINTAGE

2013 was a strange vintage, everything was going well but in the harvest time there were several rainy days and people had to stop harvesting. We had already finished the harvest before the rain and our quality is too exciting for us.

### WINEMAKING & AGING

Production is done in very small tanks of only 1500 liters each. 22 Months in barrel.

### FOOD PAIRINGS

Grilled, Game & Red meats. This needs something to stand up to it! Preferably Lamb or a Ribeye.
