TASTE PROFILE

An intense cherry color with a fresh nose of red fruits, flowers and spices. On the palate it is full bodied, well balanced and persistent.

VINEYARD

Bush vines planted in a frame that allows us to have more than 3,800 vines per hectare. Viticulture is traditional and production is 1.5-2 kg/vine. Vines age average over 60 years old!

WINEMAKING & AGING

The winemaking process is in stainless steel tanks and malolactic fermentation aged in French oak barrels.

FOOD PAIRINGS

Grilled red meats, Legumes, Stews & some nice Sheep's Milk cheeses!
